LOCATION: Truscott Elementary

“Parenting the Love and Logic Way” Class

October 21 – November 25, 2019

Time: 5:30 – 7:30 PM

Location: Truscott Elementary
211 West 6 St., Loveland, CO 80537

What is Love and Logic? It is a way of working with children that puts parents back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences. The program especially helps parents enjoy working with their children through easy-to-use techniques. The Love and Logic approach helps children develop and grow in a healthy way, provides them with confidence and dignity, and teaches them how to become more responsible.
