From the Principal

Dear Amazing Raptor Families,

I want to thank all of you for continuing to support our Raptor community. Opening a new school in a pandemic was challenging, but having your support and patience has made all of the difference. Whether you were volunteering at school, supporting at home, donating needed items (clothes, sensory items, money, etc), supporting our staff or helping in a million other ways, we have really appreciated you making Riverview amazing. We couldn’t function without all of you.

I also want to thank all of you that gave us your feedback on our climate/culture at conferences. As you can see from the picture below, we have lots to celebrate. Our goal is always to work towards 100% and we will continue to do so.
