**Facts about registering for school for next year:**

1. ALL current TSD students: ANNUAL STUDENT REGISTRATION (formerly called Annual Family Update). Many of you have already done this. Thank you!

   PLEASE go to our district website: [www.thompsonschools.org](http://www.thompsonschools.org) click on the “Resources for Parents” icon at the bottom of the page. The “Parent Portal” link will be listed at the top of the next page. Log in, and complete the Annual Student Registration. There is an option if you’ve forgotten your username/password.

2. For next year’s kindergarten students, you can “add a student” when completing the above form.

3. “Open Enrollment” is only for students who are REQUESTING to attend a different school. Do NOT fill out this form if you want to stay at SMES. You will remain our student until you request otherwise. “Open Enrollment” is for CHOICING into a different school. It is NOT the same thing as school registration.

With temperatures warming up, please make sure your child has a water bottle! The water bottle should be labeled with your child’s name and should stay at school.

**Sorry! There are NO birthday treats allowed this year.**

**Donations, please!**

We are looking for donations of used, clean pants, preferably sweatpants, for the health office. We need a variety of sizes, boys and girls. Thank you!

If your child borrowed clothes from the health office, please WASH and RETURN them so we can pass them along to the next student who needs them.

**Help for families:**

If you need help with internet service or clothing or food, please email the school counselor reneka.hall@thompsonschools.org or the secretary karri.berg@thompsonschools.org and they will connect you with resources.

How Sick is Too Sick?
When Children and Staff Should Stay Home from School or Child Care

During Colorado’s response to the COVID-19 pandemic, children and staff who have been exposed to a positive case or who have symptoms consistent with COVID-19 listed below, must follow the Guidance for Cases and Outbreaks in Child Care and Schools. Testing for COVID-19 is strongly recommended for anyone with symptoms or a known exposure. When the guidance for COVID-19 instructs children and staff to follow their regular return to school illness policy, this guidance may be used to determine when children and staff may return to school or child care.

**MAJOR SYMPTOMS of COVID-19**
- Feeling feverish, having chills or temperature of 100.4°F or greater
- Loss of taste or smell
- New or worsening cough
- Shortness of breath or difficulty breathing

**MINOR SYMPTOMS of COVID-19**
- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Fatigue
- Nausea, vomiting
- Diarrhea

There are four main reasons to keep children and adults at home:
1. Someone who the child or staff lives with or has had close contact with who has been diagnosed with COVID-19 or has symptoms of COVID-19.
2. The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.
3. A child needs more care than teachers and staff can give while still caring for the other children.
4. The symptom or illness is on this list, and staying home is required.

Remember, the best ways to stop the spread of infection is staying home when sick and good hand washing.
