Principal Update

I want to thank our Ivy Stockwell Community for their continued support of our students and staff at Ivy Stockwell. As more and more is piled on our hardworking staff’s plates each year, it is so amazing to see the kindness, trust, and support of our parent community.

Thank you to the Berthoud Schools Fund, as well as the many families and community members who have blessed us with much needed supplies and donations. Your generosity is greatly appreciated!

As the holidays approach, I know that we have many families that could use a hand to make your holidays great. If you need any support with gifts, food, etc, please send an email to me (annemarie.sanchez@thompsonschools.org) or our counselor Val (valerie.elwood@thompsonschools.org) and we will make sure that you get taken care of.

**Free Meals!**

Remote distribution of meals will continue to be available during at-home learning. These meals will be provided at no charge to all students within the district as a result of a waiver granted by the USDA. The new distribution days and times for the Berthoud High School site is Mondays, Wednesdays, and Fridays from 12:30pm – 1:30pm.

---

**Attendance Line: (970) 613-6190**

If your child will be absent from school for any reason (even while learning remotely), please let the front office know that they will be gone. The best way to report an absence is to call the attendance line direct any time and leave a message. Please call before 8:20 AM on school days.
News from the Computer Lab

Dear Parents/Guardians,

There are a lot of fun websites for your students to use at home. Bookmark my website so your child will have easy access. https://www.thompsonschools.org/domain/1204

MobyMax is located under the tab called Math Links. First through fifth grade can access MobyMax at home and login as a student.

More websites are available, just click on your child’s grade. 😊

Remember to:

KEEP Safe

To empower students to use the Internet safely, responsibly, and effectively.

Mrs. Adamson
Veterans Day

Ivy Stockwell celebrated our Veterans by making cards in our classrooms. Along with the cards, Veterans received a gift card for one of their favorite places. We can't thank our community enough for donating funds so that we could buy the gift cards!

Safe 2 Tell

Safe2Tell provides young people a way to report any threatening behaviors or activities endangering themselves or someone they know, in a way that keeps them safe and anonymous. Safe2Tell is available 24-7. Safe2Tell Colorado provides concerned community members a way to anonymously report safety concerns in order for appropriate teams of school officials and law enforcement to create effective interventions in the lives of youth who are struggling. A majority of Safe2Tell Colorado reports are received in the evenings and at night demonstrating that Safe2Tell Colorado is being utilized by students outside school walls in the community. For more information on the Safe2Tell program visit: How it Works
