Dear parents and runners-

I can’t believe were already near the end of running club. It’s been a real joy to work with your kids this year, both our returning runners and our new ones! May 9th will be our final day, with events both before and after school. I have included the details below for both events.

8:10-8:45am - I have booked a special guest to come speak to our club, during our last session. Mr. Kevin Lemasters is an accomplished marathon runner, competing in marathons all over the US, and has offered to come share his journey, and inspire our runners. We will hold this event inside the school, and it won’t be a morning to miss!

3:50-5:00pm – COLOR RUN!! This will be our 2nd annual Color Run*, to celebrate the accomplishments of our runners this season. We will have several color throwing stations set up, and our runners will change a variety of colors as they make their way around the track. To ensure the most fun and colorful experience, students should wear a white t-shirt, and sunglasses. We will also have a color blowing station set up, to blow most of the color off of your runner, before they leave. Their might be a little powder left on them, so if you’re worried about it transferring to your car seats, I would advise bringing a trash bag for your student to sit on. Please note, due to the cost and amount of powder we have, this event is just for students who have participated in running club, and unfortunately, we cannot have siblings join us. We would love to have parents and siblings come watch their runners and cheer them on.

*The powder we will be using is non-toxic, and safe for the environment. It is comprised of mostly cornstarch and coloring.

If you have any questions about these events, please feel free to contact me.
