Please Teach your Student your Cell Phone Number

It is so helpful for your student to know one family member's telephone number. This is helpful when students come to the front office and need to call home or in case of an emergency.

Please label your student’s belongings

Please label your student's belongings-water bottles, masks, sweatshirts, coats, etc. We have a lot of items in the lost and found already that are not labeled. Please make sure and label their belongings so the items can be returned to them.

Celebrating Birthdays at School

The health and wellness guidelines for birthday's at school. We invite you to partner with us to support health and wellness. We are requesting non-food related celebrations to support the health and wellness focus of Truscott as well as increased number of food allergies and special dietary needs.

Here are some non-food ideas: pencils, bookmarks, stick on tattoos, stickers, etc. Mrs. Hanford announces all students birthdays during our morning announcements at 8:10 am, so please don't be late on the day of your birthday and you will hear her wish you a happy birthday.
Monday Morning Assemblies

Each Monday morning in our gym we will have an all school assembly. Students should plan to enter through the front entrance/door on this day and head straight to the gym. The assembly will begin at 7:50 am. Students will head to their classrooms after the assembly with their teachers, picking up a sack breakfast on their way. During our assemblies we will recognize positive student behavior, celebrate any student/staff/school successes and learn more about how to be a positive citizen at Truscott and in the world. Families are welcome to join us. Please sign in at the office prior to entering the gym.
