Message from Mrs. Hanford

Dear Families,

During the Thanksgiving season, I’m reminded of the many reasons that I’m thankful to be at Truscott. Each day I’m thankful that I have the privilege to work with your children, to support our amazing staff and to partner with our families. In my over 20 years in education I’ve worked in many schools, and I’m still amazed by our students and the what the future holds for them. Thank you for your continued support of Truscott and for sharing your children with us each day.

November brings many opportunities to spend time celebrating and supporting our community and our school.

Here is a list of our November Events:

November 9th - Picture Retakes
November 9th - Tiger Stride, 8:00 - 12:00 pm
November 11th - Meet at school to honor our Veterans by waving flags, meet Mrs. Hanford by the stoplight on Garfield to pick up a flag to wave, 11:00 am (parade begins at 11:11 am)
November 12th - Cafe con Leche, 8:15 - 9:00 am
November 12th - PTO/SAC, 3:15 - 4:30 pm
November 21st - 23rd - Thanksgiving Break

Enjoy your Thanksgiving break with your family!

**Annual Pozole Dinner**

*Save the date for our 11th annual Holiday Pozole Dinner- Wednesday, December 5th, 5:30-7pm.*

This is a family fun social event, with great food, some activities for children and a silent auction for the adults. We will be cooking on Monday 12/3, right after school. We love help. Call Michelle Myers for more information, (970) 613-6925.

*Reserve la fecha para la 11a cena anual de Holiday Pozole, miércoles 5 de diciembre, 5:30-7pm*

Este es un evento social y divertido para la familia, con excelente comida, algunas actividades para niños y una subasta silenciosa para adultos. Cocinaremos el lunes 12/3, justo después de la escuela. Nos encantaría su ayuda. Llame a Michelle Myers para obtener más información al (970) 613-6925.

**A 3rd grade essay**

**Rights and Responsibilities**

Even though other people think that children can’t make a difference in their community, I believe that children can make a difference in their community. In one text it says Katie wanted to end hunger in her community. When she was nine she harvested a huge cabbage and donated it to a soup kitchen. Another fact from the article is she got her school involved and they grew a garden and sent a master gardener to help. In the U.S, there are over sixty gardens being grown by children. This evidence proves that nine-year-old Katie Stagliano made a difference in her community. In the second article Boyan Slat wanted to clean out the trash from the ocean. Boyan Slat went diving in Greece to see brightly colored fish, instead he saw bags and trash, that’s when he decided it was his job to clean it. Another fact in the article is Boyan Slat built a barrier to block all the trash out. But the fish can swim around and under the barrier. Boyan Slat’s invention proves that children can make a difference in their community. To sum it all up children can make a difference. If we were all as thoughtful as Boyan and Katie the world would be a much better place.

**Heads Up!**

Now that school is back in, it is a good time to remind parents to be on the alert for head lice. Head lice is a common childhood condition. All places where children get together are places where head lice can be transferred. Clean hair and home are no guarantee that head lice will not find your child. Please take a moment now and periodically throughout the year, to check your child’s hair for nits (eggs), which can usually be seen long before lice can be located. Nits are small, white to tan particles found in the hair that look a lot like dandruff, except that dandruff is loose and can be brushed from the hair, whereas nits are attached to the hair shaft and cannot be easily removed. Lice are very small (flea sized) and do not like light, so they can be hard to find. If your child is experiencing itching of the scalp or you see something in the hair and are not sure what it is, feel free to stop by the health office and allow us to check.

Sincerely,

Health office staff

**Lost and Found Clothing:**

It is always amazing how much lost and found clothing collects during the first two months of school. Please check the three racks in the hall by the library for your student’s missing jackets/coats. There also is a table which has found lunch boxes, mittens/gloves, hats/caps, and water bottles. Please look for items your student might have lost. It would be very helpful if you could mark your student’s jackets/coats, lunch boxes, water bottles, and gloves with their INITIALS and grade number. This information would help us reunite these items with their owners. Your assistance in this endeavor is greatly appreciated.
Student Leadership

Student Leadership had fun team-building during our first meeting of the year, doing a challenging activity that required working together! We also selected officers for the year:

President - Mason R.
Vice President - Starlight W.
Secretary - Tuesday B.
Treasurer - Noe F.

Our first service project will begin in November. We will be participating in the Philo Canned Food Drive once again to help Loveland residents during the holidays. Look for more information to come home with students. Student Leaders also brainstormed and voted on various projects for the remainder of the year. We are excited to be working with a great bunch of kids on some very worthwhile service projects and look forward to serving our school and community this year. Our next meeting is Monday, November 5, from 3:15 to 4:00 in Miss Caylor's room.
