ART CLASS NEWS
TRUSCOTT * TIGER ARTISTS * QUARTER 1

In-Person ART
As school re-opens for in-person learning, please have your student(s) bring their “Art kit” with them to school for Art class, if possible. The materials that were included in the Art kit will need to be utilized during Art class for in-person learning. Due to the CO-VID procedures and protocols, students will not be allowed to share materials and therefore the Art class materials that would normally be shared are not available for use.

The Art kits contain a few different materials (per grade level) and are within a large ziploc bag. These kits were put together at the end of August and placed inside of your students backpacks during the backpack distribution day we had at Truscott.

Goodbye My Most Amazing Artists!
It is with great sadness that I will not be returning to Truscott when the building re-opens for in-person learning. I will miss teaching you art each week and creating with you! You all are such incredibly talented young artists. Continue to spread kindness and positivity like the creative, mindful, and amazing artists that you are! I wish each of you the very best school year! Keep creating!

Sincerely,
Mrs. Novak
Spirit Gear

It’s that time of year!
Whether you’re learning from home or in-person, show your school spirit with this year’s Spirit Wear!
Click here to link to spiritandpride.com for all designs and exclusive deals. Use School ID# 149256. Orders will be accepted by phone or online order. Orders are NOT being accepted at school. Please complete your order by Friday, October 9, 2020. Contact the front office with any questions.
