Charging through failures, stampeding through challenges  

April 2019

Message from the Principal...

It’s finally spring! There are seven weeks of school left, but LOTS still to do. Please avoid scheduling appointments and vacations during school days, so that your child may participate fully in learning and enrichment activities for the remainder of the school year. Please check out the Parent-Student Handbook for school start and end times, attendance information, communicating with staff, field trips, and other pertinent information to keep you connected to your child’s learning environment.

Continue reading our newsletter to learn about the many activities, events, and volunteer needs coming up in April and May. Please also remember to check out the High Plains School Facebook page, High Plains PTCO Facebook page, High Plains School website, your child’s teacher(s) communications, and TSD and HPS texts and emails to keep in the loop on events and activities.

Happy Spring and see you in the drive line!

Danielle Feeney, principal
SAAC Meeting

April 29th at 5:15pm the School Accountability Advisory Committee will be meeting to discuss parent engagement ideas and 19-20 school year staffing. All parents are encouraged to join and share.

Volunteer Appreciation Breakfast

On Friday, April 12th at 8:30am High Plains wishes to thank all of our volunteers for their contributions and support this year. Staff and students will provide a breakfast, music, and warm thank yous to all volunteers that have given of their time, talent, and/or resources this school year. Without volunteer support, our students and staff would not be able to do all of the great activities (before, during, and after school) that so enrich our students’ learning journey. Please join us in the Bison Cafe so that we may honor your commitment to our school and students.
8th grade's last day

Our 8th grade students' last day of school will be Wednesday, May 22nd. The middle school team is planning special activities for the last days of school. Once activities are determined, the middle school team will communicate to families.

MS Dance

Our Middle School Student Ambassadors are hosting a Middle School Dance on May 3rd. More information including volunteer sign ups will be coming out soon.

- Healthy Hearts
- MVHS Athletics
- Gardening
- Self-care station
- Pear Bureau
- Smoothie Bikes
- Social Media Health
- Free Snacks
- Class prize for the highest participation
Counselor's Corner

We are working hard at High Plains to support our students’ social-emotional learning. Managing emotions, resolving conflict, making decisions, and showing empathy are all part of our social-emotional development, and it takes time and practice to develop these skills. We have several things in place at High Plains to help support this area of development!

Bullying Prevention Education Grant

High Plains has been awarded the Bullying Prevention Education Grant through the Colorado Department of Education for another round of the grant. This grant provides us with social-emotional learning resources such as the Second Step curriculum as well as training for Peace Keeper Circles and Positive Behavior Interventions and Supports (PBIS) trainings for our staff. We also have a Bullying Prevention Coach, Niki Vanessen, who oversees the grant in our building and provides support with our students’ social-emotional development.

Our staff have been receiving lots of resources and trainings, and it is also helpful for our High Plains families to know what is available and how to help students thrive socially and emotionally. Under the resources tab on the High Plains website, you will find a link to our Bullying Prevention page. Here you will find information about what bullying is, district policies, and resources for preventing bullying. There is also information about how to report bullying, various community resources, and initiatives we have at High Plains to support this endeavor.

We encourage students to report any instances of bullying so that they can be looked into as soon as possible. If we don’t know about it, we are limited in how we can support. As soon as a report is made to us, we look into it and address it as appropriate. If you see something, say something!

Bully Prevention and Education Grant

3rd-8th Grade Parents and Guardians, please click on the following link to sign permission for your child to take a bully perception student survey.

https://permission.click/03lxN/us

Surveying students will give us information about the Bully Prevention and Positive Behavior Intervention & Supports (PBIS) initiatives here at High Plains School. Our goal is to create a positive and safe climate and culture for all students. Results from this survey will guide our efforts moving forward. Surveys are completely anonymous and participation will not affect grades. The survey will be administered electronically during Computer class between April 29-May 3rd.

continued on next page
Counselor’s Corner

If you would like to take the survey as a parent, please go to www.TetraStart.com, and enter the Parent Access Code:

- Elementary Parent- 367772
- Middle School Parent - 517664

More information on the Bully Prevention and Education Grant can be found at the Colorado Department of Education website - https://www.cde.state.co.us/mtss/bullying.

*Thank you for your participation!

Niki Van Essen - Bully Prevention Implementation Coordinator

- **May 2** [Thursday] 8-3 pm; concert that night 6pm (call time of 5:30) - TSD Honor Band rehearsals and concert @ MVHS
- **May 15** [Wednesday] 7 pm - HPS Middle School Band & Choir Concert @ MVHS
- **July 15-30** [Monday-Friday event] times vary depending on the class(es) chosen - 2019 TSD Summer Academy of Music @ TVHS

5th Grade Beginning Band

Yay! Your student has chose to participate in band at High Plains! I am very excited to help you and your student through this process, and to make things easier, here are the next few steps after renting or purchasing your instrument.

Read the Book

The Tradition of Excellence Book has some great information to read on pages 2-3 and your book may even come with a DVD, please watch it! If not a DVD, there is an online code. There are also some good videos posted on the music website: [www.HPSmusic.com → “Student Info” → “Band”](www.HPSmusic.com → “Student Info” → “Band”)

*continued on next page*
Band Rehearsals

After school 5th-grade beginning band ensemble will meet every Tuesday from 3:45-5:15pm starting on April 2nd. There will be some 7th/8th-grade band students as well as high school band students there as mentors. Each new band student will gain the fundamental knowledge of how to care for, assemble, practice, and play their new instrument. I understand that your student may not be able to make all of 8 rehearsals, and if not, please reach out so we can determine the best approach to catching them up before summer begins. These skills will not be taught in the music classroom.

Summer Band

Band and choir students will both have summer opportunities for growth. The district provides an opportunity for musicians of all skills levels to come together and grow from July 15-30; this is called the Summer Academy of Music (aka S.A.M.). The dates, cost and class descriptions have been released and can be found on the district website. Registration is open now! The Beginning Band class is highly recommended for our newest band members and will propel your student into a successful and fun experience in band. They will culminate their experience with a group concert.

Private Lessons

Private Lessons are a great option for students of any skill level looking to improve as musicians with one-on-one instruction. Please reach out to Mrs. Lemons to find the best instructor for your student.

Thank you for taking the time to help your student succeed in this new adventure. Please do not hesitate to reach out and ask questions.

HPS Spring Volleyball

High Plains will be offering open gym for volleyball players interested in learning to play and polishing their skills for the 2019-20 season. We offer competitive volleyball at HPS, which entails a summer camp, daily practice, 10-12 games with other district teams, a tournament at the end of the season, a team banquet, and a Staff vs. Student Game to culminate our season. The purpose of these open gym sessions is to focus on the fundamentals of volleyball in addition to strategies to improve each player’s individual game. Each player will have one-on-one instruction, small/large group drills to develop skills, and team scrimmages. Open gym volleyball is for any female student athlete in 5th-8th grade, regardless of skill level or knowledge of the game. Come one, come all!!

- Who: 5th-8th Grade Girls
- Where: High Plains Gym
- When: Every Wednesday until mid-May -- beginning on April 10th
- Time: 3:45-5:00pm

We understand that you may not be able to join us for all of these practices, so they are not required, but highly recommended. We would love to see each of you there, even if you are just trying volleyball for the first time. We will have an informational parent meeting on May 16th at 5:30pm in the Bison Cafe'. Physicals need to be completed by our first official practice in the fall, but not for participation during the open gym practices; this will only require a signed waiver. Players need to arrive in athletic clothing, which should include a t-shirt, athletic shorts, tennis shoes (that are appropriate for indoor sports) and knee pads. Please also bring a water bottle and a friend!!

Coach Lemons, Coach Knutzen, Coach Joers, Coach Payton, & Coach Baier
Our Mission Statement

*High Plains School’s Give Next class wants to help prevent child abuse and help support child welfare. With the generous funding from local community donors, we hope to promote child welfare and aim to stop child abuse with the support of local nonprofit organizations.*

**Valentines**

Our Valentine’s Day fundraiser was very successful and we were able to raise over 100 dollars.

**Hot Chocolate**

After school we sold hot chocolate. We have made around 100 dollars.

**Grants**

We narrowed our grants down to 4. Now we just have to decide how much of our money we will give to each organization.

**Save the Date**

If you are interested in attending our Give Next awards ceremony – save the date!

High Plains Give Next Class Awards Ceremony

on

Friday, May 10th

5pm to 7pm

Come see all the non-profits we decided to fund!

We will provide food and drinks.
News from the Library, April 2019

Thank You, High Plains Community!

Thank you to everyone who participated in supporting the Scholastic Spring Book Fair. We had a great turn-out and raised over $2,500 to purchase books and materials that will enrich our students’ learning. Additionally, teachers deeply appreciate the many families who purchased books for their children’s classrooms. Thank you all for making a positive difference with your purchases!

Ebooks: Great Reading for Spring

Reading outside of school entertains and builds stronger vocabularies. Keep in mind the wealth of digital resources that HPS students have at their fingertips. Thousands of ebooks can be accessed at any time by following these five easy steps:

- Visit our school's website (highplainsschool.org)
- Select "Library" under the "Resources" tab.
- Click on the Follett Destiny icon in order to search our catalog and read or borrow ebooks.
- Choose to log in using Google SSO if in district or by entering district credentials:
  - **Student user name**: student’s district username (if an email address is requested, simply add @thompsonschools.org to the username)
  - **Password**: student’s district password (student number preceded by three student-specific numbers/letters) *(Note: You can find your child’s username and password on Parent Portal. Please contact Megan McGee at megan.mcgee@thompsonschools.org if you have any questions.)*
- Happy Reading!
Hello there! It’s hard to believe it’s already time to think about next year! Below is the immunization letter for next year. If you have a student going into middle school, make sure to get that appointment for their Tdap! If you have any questions, please feel free to call the health office at 970-679-9808.

K – 12th Grade School-required Immunizations for the 2019-20 School Year:

Dear parents and guardians of students in Colorado kindergarten – 12th grade schools: Colorado law requires students who attend a public, private or parochial kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent. Your student must be vaccinated against:

- diphtheria, tetanus & pertussis (DTaP, DTP, Tdap)
- polio (IPV)
- measles, mumps, rubella (MMR)
- hepatitis B (HepB)
- varicella (chickenpox)

● Vaccines are recommended for hepatitis A, influenza, meningococcal disease and human papillomavirus, but are not required. ● Colorado rule requires students entering kindergarten to receive their final doses of DTaP, IPV, MMR and varicella. Students entering 6th grade must receive one dose of Tdap vaccine, even if they are under 11 years of age. ● The number, timing and spacing of the required vaccine doses is set by the Centers for Disease Control and Prevention’s Advisory Committee on Immunization Practices (ACIP). You can view current versions of the ACIP vaccine schedules for children 0 - 6 years of age at www.cdc.gov/vaccines/parents/downloads/parent-ver-sch-0-6yrs.pdf and preteens/teens 7 - 18 years of age at www.cdc.gov/vaccines/schedules/downloads/teen/parent-version-schedule-7-18yrs.pdf. ● Please take your student’s updated vaccine record to school every time he or she receives a vaccine. ● If your student cannot get vaccines because of medical reasons, you must submit an official Immunization Medical Exemption Form to your school, signed by a health care provider licensed to give vaccines. You only need to submit this form once, unless your student’s information or school changes. You can get the form at www.colorado.gov/vaccineexemption. ● If you choose not to have your student vaccinated according to the current ACIP schedule for personal belief or religious reasons, you must submit a non-medical exemption to your school. Non-medical exemptions must be submitted every year. Multiple options are available at www.colorado.gov/vaccineexemption. ● Some parents, especially those with students who have weakened immune systems, may want to know which schools have the highest percentage of vaccinated children. Schools must report immunization and exemption numbers (but not student names or birth dates) to the state health department by December 1 every year. Immunization and exemption rates can be found at www.colorado.gov/pacific/cdphe/school-and-child-care-immunization-data. ● You may want to talk to a health care provider licensed to give vaccines or your local public health agency (LPHA) about which vaccines your student needs or if you have questions. You can read about the safety and importance of vaccines at www.ImmunizeForGood.com and www.colorado.gov/cdphe/immunization-education. ● If you need help finding a health care provider, or finding free or low-cost vaccines, contact your LPHA, or call the state health department’s Family Health Line at 1-303-692-2229 or 1-800-688-7777. You can find your LPHA at www.colorado.gov/pacific/cdphe/find-your-local-public-health-agency. ● Please share Page 2 of this letter with your student’s health care provider as it provides helpful information about vaccines required for school entry, per Colorado law.

Sincerely, Colorado Immunization Branch | Colorado Department of Public Health & Environment 303-692-2700 | cdphe.dcdimmunization@state.co.us

Contact Jessica @ Jessica.soulek@thompsonschools.org if you have any questions!
Dear High Plains Families,

I’m excited to tell you about a very special program I’m coordinating at our school in conjunction with Crayola. It’s called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around High Plains School, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house—even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located in the office for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don’t throw out that used marker—ColorCycle it!

Sincerely,

Ashley Holzapfel
