SAVE THE DATE!

MAY 17TH AT 5:30PM, HIGH PLAINS IS HOSTING A EXPANSION GROUNDBREAKING!

PLEASE JOIN US FOR THIS SPECIAL EVENT AND CELEBRATION.

THERE WILL BE CAKE!
LAST DAY OF SCHOOL

All Kindergarten through 7th grade will end their school day on May 26th at 11:50am. 8th grade’s last day of school is May 25th, 3:35pm. End of year events and assemblies will be communicated in the coming weeks, so check teacher communications and our weekly newsletter regularly!

SAAC

On May 10, 2022 at 5:30PM our School Accountability Advisory Committee will share information on our expansion, groundbreaking on May 17th, 22-23 staffing plan, discipline/behavior data, and progress on our school goals, along with next steps. Families are invited to attend in person in Room 187 or virtually via this Google Meet link (also available on our website calendar). All community members are invited. Jenny Webb is our SAAC chair. If you have questions or suggestions for SAAC, please contact her at jennysue@gmail.com

ATTENDANCE

It’s the end of the year and there is A LOT of learning left to do! Families, PLEASE avoid scheduling appointments, as much as is possible, during the school day. When students miss instruction, it is difficult to make up that learning time. If your child must be absent for all or part of the day, please contact the attendance line at (970) 679-9870. Please see our Parent/Student Handbook at this link for additional details regarding school expectations. Thank you for valuing the learning students are taking part in and the work and dedication of our staff in supporting their growth as a student.
FIELD DAY

Field Day is quickly approaching! It promises to be an amazing day for all our students! If you are able and willing, we would love to have you volunteer to help run one of our stations, either all day or part of the day. Please sign up using the link below, or the link sent out from our PTCO president Shena Shulz through VITAL. Please remember all volunteers must be VITAL confirmed.

Supporting Positive Online Experiences Using Parental Controls

Parents play an essential role in helping their kids learn to use the internet safely and positively. Bearing in mind that parental controls “work best when used openly and honestly in partnership with your kids--not as a stealth spying method,” this comprehensive list of resources compiled by Common Sense Media can help you build structures and habits to support your kids.

Happy Summer Reading with Ebooks

If you’re looking for entertaining and stimulating reads to keep your student engaged and learning over the summer, remember the thousands of ebooks available through Sora and the district’s partnership with the Loveland Public Library.

If you’re looking for entertaining and stimulating reads for your student, remember the thousands of ebooks available through Sora and the district’s partnership with the Loveland Public Library.

⇒ Go to Sora.
⇒ Click on "Find my school."
⇒ Select any Thompson School District school (all are the same account).
⇒ Choose "Thompson School District R2-J" on the drop-down menu.
⇒ Sign in with your child’s district log-in. Please email megan.mcgee@tsd.org if you have any questions about log-ins.
⇒ Notice the different options (you can search by popular subjects, genres, or other categories) and enjoy browsing and then checking out books.

Another great source for ebooks is available due to the district’s partnership with the Loveland Public Library. The Student Success Library Initiative ensures that all of our students, K-8, have access to LPL resources--including ebooks, audiobooks, and databases--by simply going to the LPL website and using their TSD password (for Card Number) and user name (for LPL PIN). An easy, one-time way to add the public library’s ebook collection to your child’s TSD Sora account is to select “Add a library” under settings and then choose the Front Range Downloadable Library. For more information and answers to FAQs, visit https://lovelandpubliclibrary.org/TSDstudents/.
