E3 Game Club at Ferguson High School

Do you have an interest in video games? Did you know that there are careers in writing, art, and computer programming in the video games industry? If this interests you, come learn what goes into making a video game. Mike Perrotto, from Numinous Games in Loveland, will be on hand each week to help teach and guide you through the process. No experience required!

Contact Tracy at E3 for more information!

Wednesday’s at 3:30 PM
1101 Hilltop Dr. Loveland, Colorado 80537
