Notes from the Principal

Hello Lincoln Families,

Spring has sprung and in typical Colorado fashion, that means heavy wet snow. Hopefully, you were all able to enjoy the snowy break! April brings in our assessment season. CMAS (Colorado Measures of Academic Standards) will begin on April 12th and we will test through the 28th of April for grades 3-5. This is an important time for us as we use the data collected to inform our school plans for the next school year.

On that note, I would like to take a moment to invite you to our last School Accountability Meeting on May 6th at 5:30. Parent voice is critical in us making the right decisions for our Lincoln community!

I look forward to seeing you all soon!

Ms. Stott
