REMINDERS

FHS Student ID's
Students,
Your ID's are in. If you haven't picked yours up yet, please visit Chris to get it. SOON, IT WILL BE MANDATORY (per Safety and Security) TO WEAR it EACH AND EVERY DAY WHILE ON CAMPUS.

Need Water?
Students,
Please remember to bring your water bottle to school. We do not have anymore cups (the Health Office is out of cups) to give to students. Each student received a water bottle in their backpack/supply pickup in August so please look for that and try to bring it to school each day.

Doors Don't Open Until 8am
Students,
The weather is turning colder and daylight savings begins this Sunday, 11/1/20. Please consider coming closer to 8am so you do not have to stand in line outside. We want you to stay healthy and warm.

WHAT'S NEW AT FHS

Look What's Cooking at FHS! Thank you to Donor's Choose!
A New Class at FHS: Wellness & Nutrition
Taught by Andi Walker

Andi says,

"I can not adequately express how excited my students were to unload the brown boxes, wash all of the crockpots and supplies, and organize our cooking space! The first meal we cooked together was chicken stew. Students learned how to cut up a whole chicken, chop fresh vegetables, and measure seasonings. After the stew finished cooking they picked the chicken from the bone, added it back to their stew, and sampled their incredibly delicious food! Many students were surprised and amazed that they had created such delicious food and that it cost just over $3 per person! And that $3 not only fed them during class but included enough for them to take a to-go container-full home to their families as well as pantry staples for us to use again!

In the coming weeks, we will be making tortillas and flatbreads to enjoy with our crockpot meals and fillings.

Thank you again for all of the support, I wish each and every one of you could come to our school and sample some of the delicious meals my students are creating each week."
With gratitude,

Andi

Kidspak - A Message From April

"Hello from your Ferguson School Social Worker!!"
We have several programs happening over the next few months. The first one is KidsPak. This is a free food bag program that is available to all students in TSD. If you are interested in having your son/daughter bring home a bag of food every week, please contact me, via text or phone call, at (970) 325-6664. Secondly, I have about 5 gift certificates for families to receive an 8-10 pound (uncooked) frozen turkey breast with mashed potatoes, gravy and stuffing for Thanksgiving to either King Soopers or Safeway. If this will meet your family needs, please contact me. Finally, I have several resources for families to receive extra holiday support if needed. Please contact me at (970) 325-6664 OR april.cameron@thompsonschools.org for more details!

It is a real treat to see your son/daughter at school. I am here to support your family.

Thank you!

April Cameron, MSW

Can You Guess Who This FHS Student Is?

Our school nurse shared a few pictures with me today. The picture is from one of our FHS student files from long ago. Can anybody guess who this is? We would like to showcase our students from time to time. So if you’d like to participate, please bring me pictures with date/age and name and I will include it when possible. All pictures must be appropriate.
