Fall Fundraiser Dance-a-thon:
*It was decided to use Rally Up for this fundraiser & to collect money through Rally Up throughout the school year.
*There was also discussion about families giving cash donations through their student's teacher.
*Some ideas were shared about how to organize the dance-a-thon.
*It was decided that Brandon Harrington would record videos for the students and teachers to use as practice at 2:45 each day the 26th - 29th of October (these dates were changed due to the fact that not all of the students were scheduled to come back to school during the original fundraiser dates).
*It was also decided that the week of the fundraiser would be a spirit week.
Monday-Pajama Day
Tuesday-Backward Day
Wednesday-Wacky Hair Day
Thursday-Color Day
Friday-Halloween (costumes and class celebrations)
*The students would then participate in a flash mob out on the school field on October 31st. It was thought that Jera could help with the sound system during the flash mob.
*Principal in the Bubble was the decided principal challenge (we might need to purchase a bubble for the principal at $100.00).
*The classes that raise the most money will be able to interact with the principal while she is in the bubble.

Family Engagement Night:
*Virtual Spotlight Reading Night courtesy of Spellbinders of Larimer County set for October 29th 6:00-7:00.
