When the school bell rings, we’re there for your kids.

A Club is a place for your kids to laugh. A place to learn. A place to grow. A place to belong.

We are thrilled to be partnering with your school to provide comprehensive out-of-school care! Our out-of-school program will be packed with daily fun and educational activities and offered at a low monthly cost. Scholarships will also be available. Registration for this program is now open on our website at www.BeGreatLarimer.org/join-a-club. To learn more, visit our website or call our Program Support Center at 970-223-1709.
