Coaches/players here is what to expect when coming to Truscott for HPS home games.

To enter the gym look for the **Visitors enter here** sign on the main doors on the South side of the school. Once in the building, teams and spectators will enter the gym doors on the Southeast side of the gym.

- Visitor side will be the row of chairs in front of the South side of the bleachers.
- Home team will use the chairs on the North side in front of the bleachers.
- There are no locker rooms.
- Players should come in uniform ready to play.
- Only 2 players at a time in the restroom please.

If you arrive by bus with 2 teams, we will provide a room to house the team for the second game close to the gym. Your coaches will be responsible for supervision of the group.

For the second game a coach will come outside the West door to waive in the second group 30 minutes after the first game ends. This could go later than the 6pm time. The AD will text or call the coach to let them know the gym is ready.

Players and coaches, you will use the chairs in front of the bleachers. Make sure to use those seats to ensure social distancing.

Pre-Game Announcement

Good afternoon, welcome to High Plains Middle School, and today’s game between the (Visitor Team Name,) and your HPS Bison!

We are glad that we can offer you the opportunity to watch your child compete today, and would request that, per Larimer County and R2-J School District Guidelines, you remain in your assigned seats practicing social distancing with your masks on for the duration of today’s game. Should we have to ask you to re-mask more than once, you will be invited to watch the remainder of the contest from your car, as we do not want to endanger other parents having the opportunity to come watch their kids in the future. We are live streaming today's event on the HPS Facebook page. Please feel free to share this with family and friends who are not lucky enough to be able to join us in our building today.

Should you need to use the restroom, they are located just outside the gym.

(First Session)
Upon completion of this afternoon’s event, we ask that you and your student-athlete exit the facility as soon as possible, so that we can complete the cleaning process before we bring in the next session.

We are here for our student-athletes, and will do everything possible to ensure that they get to experience their chosen activity this season. Please cheer for your team, practice good sportsmanship, and follow the social distancing and masking guidelines that the county and school district have put in place so that we can continue to offer you and other parents the chance to watch your children play in person. We thank you again for your cooperation and support of your student-athletes, (Visitor Team Name,) and High Plains Middle School.
