Coaches and players here is what to expect when coming to Walt Clark.

To enter the gym look for the Visitors enter here sign on the doors on the far East of the gym. Spectators enter at the south west corner of the gym. Doors open about 4:15.

Your side of the bleachers will be on the same side of the gym that you entered, as will your team’s locker room/restroom. The locker rooms are to be used only as a restroom. Players should come in uniform ready to play. Only 2 players at a time in the locker room please.

If you arrive by bus with all 3 teams, we will provide a room to house the team for the second and third game close to the gym. Your coaches will be responsible for supervision of the groups.

For the second and third games a coach will come out to the parking lot area east of the gym to waive in the second group. This will be after the gym has been cleared and cleaned. The games may start early, so be there 20 minutes ahead of game time please.

We now are able to have 2 tickets per parent for both the home and away teams.

Players and coaches, we have duct tape on the bleaches. Please use those seats to insure social distancing. Seats are numbered. Masks are required for all.

**We will be Live Streaming the games on our Walt Clark facebook.**
