IMPORTANT NOTE

This handbook is designed to acquaint licensed staff of the Thompson School District with some information about working in the district. The handbook is not all inclusive, but is intended to provide employees with a summary of some of the Thompson School District’s guidelines and practices. The Board of Education also has school district policies, Memorandum of Understanding (MOU) and if this handbook conflicts with Board of Education policies or MOU policy, those policies shall prevail. If there is a conflict with federal, state, or local laws, the laws prevail.

The policies and procedures contained in this handbook are referred to in Article 3-7 of the MOU. The need may arise to change the guidelines described in the handbook. This handbook does not represent a contract, is not meant to be enforceable as a contractual obligation of the Thompson School District, and should not be relied upon as binding, inflexible promises made by the school district.

This handbook is designed as a supplement to the Memorandum of Understanding. No employee handbook can anticipate every circumstance or question. After reading the handbook, employees who have questions should talk with their immediate supervisor, association representative, or the Department of Human Resources.

A Note from Human Resources

This handbook was developed to describe some of the guidelines, practices, programs, and benefits for employees. All employees should familiarize themselves with the contents of the licensed employee handbook as soon as possible, for it may answer many questions about employment with Thompson School District.

The Mission of the Human Resources Department is to provide service and support through:

To welcome and support all staff in our culture of growth and excellence.

Our Vision:

To be the employer of choice in our community for those seeking a rewarding career in education.

Article 9-2. - Military Leave

9-2-1. Subject to conditions prescribed in C.R.S. §28-3-601 through §28-3-607, and with appropriate advance notice, any teacher employed by TSD who is a member of the Colorado National Guard or the reserve forces of the United States shall be entitled to leave without loss of pay for all the time engaged in training or active service ordered or authorized by proper authority, but not exceeding 15 days in any fiscal year. Such leave shall be allowed if the required military service is performed satisfactorily. The teacher must return to work immediately on being relieved from such military service.

9-2-2. If the teacher is required by proper authority to continue in such military service beyond the time for which leave with pay is allowed, he/she shall be entitled to leave of absence without pay for the additional service. Reinstatement shall be in accordance with C.R.S. §28-3-604.

Article 9-3. - Jury Duty

9-3-1. Employees shall be granted leave with full pay when called to jury duty, ordered to appear in a proceeding pursuant to subpoena or other court order. After the first three days of jury service, the district shall deduct the state wage of $50.00 per day of jury service from the employees pay as an offset. (Board Policy GBGK)

Article 9-4. - Political or Legislative Leave

9-4-1. A teacher who serves in an elected or appointed governmental position may request and receive Board of Education approval for unpaid leave to perform the duties connected with that position when those duties require an absence from his/her position with TSD. The request for unpaid leave should include documentation supporting the amount of leave time requested.

9-12. - Family and Medical Leave

9-12-1. Unpaid family medical leave is available under the Family and Medical Leave Act and Board Policy GBGF/GBGF-R*. Employees entitled to paid leave under other policies or sections of the Memorandum of Understanding will use their paid leave first for part or all of their family and medical leave in accordance with FMLA guidelines.

9-13. - Leave Related to Domestic Abuse

9-13-1. An employee who is the victim of domestic abuse or related crimes may request and shall be granted up to three working days of leave from work without pay in any 12-month period to attend to certain related matters. (See Policy GBGL* for definitions and description or eligible purposes.)

9-13-2. The employee does not need to exhaust his or her annual or grandfathered leave prior to being granted leave related to domestic abuse.
ADDENDUM F – SPECIAL EDUCATIONAL SERVICES
REVIEW PROCESS FOR ADDITIONAL SUPPORT

Because Special Education has a unique administrative structure, it requires its own review process. This review process allows Special Education teachers or staff members, who have concerns about meeting the needs of their students, to request additional support. Although it is hoped that a solution to the concern will be found, such a solution cannot be guaranteed. Communication and team problem-solving is the main intent of this process. All Addendum F positions are subject to review quarterly. It is not intended to address a cap or caseload limit. The steps for the process are given in the flowchart:

Addendum F Process

1. Limited pool of funds and districtwide staff
2. Application form (located in district intranet under ESS documents) Please include data and observations
3. Submit application to appropriate coordinator
4. Coordinator observation/ESS team discussion at building site.
5. ESSLT FTE discussion/decision
6. Buildings awarded Addendum F support submit updates to ESS leadership for quarterly review.

This is a non-grievable process.
ATTACHMENT 1 – COLLABORATIVE DECISION-MAKING GUIDELINES

The Board, the Association and Administration are committed to having a collaborative decision-making process implemented at every work site in TSD. A trust building and collaborative process involving the entire staff will be used at each site to develop its protocols for a decision-making spectrum which includes collaborative decision making.

All stakeholders (parents, teachers, administrators, business people, classified staff employees, senior citizens, students, etc.) should be encouraged to participate in improving the effectiveness of the educational system through their diverse input.

All employee groups will be required to share some responsibility for decision-making and collaboration at schools and other work sites within TSD.

Any shared decision-making process in TSD should:

- Include time for continued training, implementation, and assessment
- Represent the diverse nature of its stakeholders
- Employ a method of recording decisions and keeping other records
- Include a process for revisiting decisions
- Be based on a clear understanding of the division of the responsibilities in TSD.
- Include a means for communicating essential information and coordinating decision with affected groups.

◊ Continuum of Decision-making: while not all decisions can be made with 100% collaboration, it is desired that most decisions exhibit collaboration and inclusion.

School staff members need to work in a safe and secure environment. The Board of Education supports actions that protect employees from personal attacks by students, fellow employees or other persons while minimizing disruption to the normal working and learning environment.

**Offenses Against School Employees by Students**
The following procedures shall be followed in instances of assault, disorderly conduct, harassment, knowingly making a false allegation of child abuse, or any alleged offense under the “Colorado Criminal Code” by a student directed towards an employee. These same procedures apply if students damage the personal property of an employee while on school district premises.

1. The employee shall file a written complaint with the building principal, the Superintendent's office and the Board of Education.
2. The principal, after receipt both of the complaint and adequate proof of the charges, shall suspend the student up to three days in accordance with established procedures.
3. The Superintendent shall initiate procedures for the further suspension or expulsion of the student when injury or property damage has occurred.
4. The Superintendent or designee shall report the incident to the district attorney or to the appropriate law enforcement agency or officer who shall then investigate to determine the appropriateness of filing criminal charges or initiating delinquency proceedings.
5. A copy of this policy shall be distributed to each student and posted in each school building.

**Offenses Against School Employees by Non-Students**
Instances of assault, disorderly conduct, harassment or alleged criminal offense by an employee or by any other person directed against an employee shall be reported to the principal or supervisor who in turn shall report the incident to the Superintendent or designee for investigation and action in accordance with applicable procedures.

**Supportive Action Following Incidents**
1. The principal or supervisor shall inform other employees who are impacted or affected by the incident as necessary and report the incident and its status or resolution to his immediate supervisor.
2. The affected employee may be offered assistance including but not limited to mandating medical, legal, physical or mental examination and temporary leave from his position.
3. The principal or supervisor shall monitor the progress of actions taken in accordance with this policy and recommend any further steps necessary to the Superintendent's office.
4. The principal or supervisor shall plan with the affected employee and other impacted employees for his return to normal duties.

**Communication of Disciplinary Information to Teachers/Counselors**
The principal or designee shall communicate discipline information concerning any student enrolled in the district to all teachers and counselors who have direct contact with that student. Any teacher or counselor who is assigned a student with known serious behavior problems will be informed of the student’s behavior record. Any school employee who is provided this information shall maintain its confidentiality and shall not communicate it to any other person.

PURPOSE: Donate-A-Day is a way to help teachers, administrators, and exempt staff who need additional hours beyond their available leave time to help an ill member of their immediate family (as defined by the current Memorandum of Understanding*).

*IMMEDIATE FAMILY* includes anyone who lives in the employee’s household plus persons not in the household, who are the employee’s spouse, domestic partner, children, step-children, parents, step-parents, parents-in-law, grandparents, grandparents-in-law, grandchildren, brothers, sisters, brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law, and others with whom the employee has an unusually close relationship. (Per MOU, 2017-18)

A licensed or APT employee who has used all of his/her current annual, accrued and grandfathered days (in this order) may apply for Donate–A-Day. The application is available from the Benefits & Leave Specialist in Human Resources. It must specify the relationship of the person for whom the employee will be caring and be accompanied by a doctor’s statement specifying the nature of the relative’s illness, its expected duration, and the extensiveness of treatment.

Other licensed, APT, or classified staff will be requested to donate hours, up to the equivalent of two of their work days based on FTE, from their current annual leave time for the employee’s use. Those who are willing will sign the donor form.

The licensed or APT employee will return the completed application form to the Benefits & Leave Specialist in Human Resources, who will forward it to the Thompson Education Association Sick Leave Bank Committee.

The employee (or designee) will return the signed donor forms to Payroll by the monthly deadline, which is the second Friday of each month. Any donated hours not used will be transferred to the TEA Sick Leave Bank.

No district employee may donate more than two of his/her work days of current annual leave per year for this purpose.

Business Services will report days used to the Sick Leave Bank Committee.

*Note:* Donation of days is strictly voluntary. Employees are responsible for the use of their own leave. Once leave has been donated, those hours will be considered used and will not be available for future use or reinstated.
Donate-A-Day is a way to help teachers, administrators, and exempt staff who need additional hours beyond their available leave time to help an ill member of their immediate family.

A teacher, administrator, or exempt employee who has used all of his/her individual annual, accrued, and grandfathered days may request a Donate-A-Day form from the Benefits & Leave Specialist in the Human Resources Department.

APPENDIX N – SICK LEAVE BANK OPT OUT FORM

For Licensed Staff, Administrators and Exempt Personnel

Do not sign unless you have reviewed the Important Benefit Information Fact Sheet and are electing to NOT PARTICIPATE in the Sick Leave Bank.

I understand that my OPT OUT decision will remain in effect for the duration of my current employment unless I elect, in writing, to become a member of the Sick Leave Bank during the open enrollment period (annually in September). I further understand that if I have been a member of the Sick Leave Bank and am exercising my OPT OUT Option that I will not receive any of my hours that I had previously contributed to the bank; nor will additional contributions be made to the Sick Leave Bank in my name.

I agree that it is my responsibility to complete the form and return it to Human Resources by October 1 (if I’m a new employee or OPTING OUT during open enrollment) or within 10 days of my hire date (if hired after September 20).

By my signature, I acknowledge that I have read the Important Benefit Information Fact Sheet, I understand the benefits of the Sick Leave Bank and when and how to become a member in the future (if I should choose to do so) and I have voluntarily decided to OPT OUT of participation in the Sick Leave Bank.
