LOVELAND HIGH SCHOOL

Be Loveland. Be the Best.

Do you want a high school education that prepares you to be an active global citizen of the 21st century?

What is an IB Education?

IB is an internationally recognized and respected set of rigorous academic programmes focused on developing well-rounded, caring, inquiring and knowledgeable young people.

IB Learner Profile

The student-centered IB programmes with the intent of creating inquiring, knowledgeable and caring young people.

Inquiry-based Learning Action Focus

IB Learning involves asking questions, taking action and reflecting.

International-Mindedness

Global engagement, intercultural understanding and multilingualism.

Why choose IB at LHS?

Loveland High is one of 4,000 IB World Schools in over 150 nations. LHS became an IB School in 2007. We currently offer the Middle Years Programme (MYP) in 9th and 10th grades and the Diploma Programme (DP) in 11th and 12th grades.

Skills for Success

Focus on communication, collaboration, thinking, research and self-management skills: much more than Work Habits.

Project-Based

Student-directed projects challenge students to apply their learning and skills.

Well-Rounded

50+ classes offered mostly in Honors classes taught by highly trained teachers.

What are the MYP and DP?
