

Do you have questions about how our school district and Thompson Valley are working to make a difference to our community and YOUR student?

The Thompson Valley School Accountability Advisory Committee (SAAC) is the place to get answers.

SAAC is a great way to get involved and stay informed about Thompson Valley with **very little time commitment**. SAAC meets once a month on Mondays from 5 – 6 p.m.

New members are welcome any time, and you can join the conversation starting in September 25th, 2017.

What will you learn?

The agenda is set by the SAAC committee and School Principal and includes topics such as:

- **Advisory class curriculum:** How can your student create his or her best path for success?
- **State assessment schedule and outcomes:** What testing means to you and to TVHS
- **The school unified improvement plan:** What will our school and district look like in coming years?

Each month we hear from one or two department heads who talk to us about the courses available to our students, partnerships with local community colleges and industry, and exciting new school programs such as AVID and freshman academy.

Please consider joining us in 2017-2018 for one or more SAAC meetings, you will find the knowledge you walk away with well worth the time.

SAAC Meeting Details

Dates: 9/25, 10/30, 11/27, 1/29, 2/26, 4/30

Time: 5:00 p.m.

Location: Room B3, in the cafeteria across from the office window.

Contacts:

Please feel free to contact me or Lanny Hass, School Principal, if you have any questions about SAAC or would like to be added to the SAAC email list. I send out the agenda ahead of time, along with a reminder about the meeting.
