Message from the Principal...

Happy New Year Edmondson Families!

We hope you had a great winter break! Now that we all had a chance to get a good rest it’s time to settle in and finish the second half of the year strong. We truly appreciate the support you give not only your children but to our staff as well. All of your volunteer time, attending special events, sending in box tops and milk caps, encouraging your child’s RRF behavior (Be responsible, Be respectful, Be Fair-minded) and most importantly helping your children each night with BINGO homework and reading help make our partnership stronger.

We hope to see you at our next GET Together on January 15 from 5:30 -7:00 to learn more about Social Emotional Learning and Trauma strategies you can use at home.

Sincerely,
Trish Malik

Cómo ser padres con Amor y Lógica®

El entrenamiento para padres más práctico y entretenido en América

Un entrenamiento de seis semanas diseñado por el Instituto de Amor y Lógica®, Inc.

¿Le gustaría sentirse con más confianza como padre?
¿Le gustaría disfrutar más su papel de padre?

¿Qué es Amor y Lógica? Es una guía para criar a los niños que pone a los padres en control y les enseña a los niños a ser responsables, y prepara a los niños para enfrentar los desafíos de la vida, el tomar decisiones y enfrentar las consecuencias. El programa ayuda especialmente a los padres a que disfruten de criar a sus hijos con técnicas prácticas. El enfoque de programa de Amor y Lógica ayuda a que los niños se desarrollen y crezcan de una manera saludable, les de dignidad y confianza en sí mismos, y les enseña a ser más responsables.

Respuestas a:
- ¿Cómo le envío a los niños para que lleguen a tiempo a la escuela?
- ¿Cómo logro que mis hijos dejen de pelear y discutir?
- ¿Cómo hago para que mis hijos ayudan con los quehaceres sin reñir?

¡Este programa está diseñado para darle habilidades prácticas que pueden ser usadas inmediatamente!

When and How to Wash Your Hands

Handwashing is one of the best ways to protect yourself and your family from getting sick. Learn when and how you should wash your hands to stay healthy.

Wash Your Hands Often to Stay Healthy

You can help yourself and your loved ones stay healthy by washing your hands often, especially during these key times when you are likely to get and spread germs:

- Before, during, and after preparing food
- Before eating food
- Before and after caring for someone at home who is sick with vomiting or diarrhea
- Before and after treating a cut or wound
- After using the toilet
- After changing diapers or cleaning up a child who has used the toilet
- After blowing your nose, coughing, or sneezing
- After touching an animal, animal feed, or animal waste
- After handling pet food or pet treats
- After touching garbage

Follow Five Steps to Wash Your Hands the Right Way

Washing your hands is easy, and it’s one of the most effective ways to prevent the spread of germs. Clean hands can stop germs from spreading from one person to another and throughout an entire community—from your home and workplace to childcare facilities and hospitals.

Follow these five steps every time.

1. **Wet** your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
2. **Lather** your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
3. **Scrub** your hands for at least 20 seconds. Need a timer? Hum the “Happy Birthday” song from beginning to end twice.
4. **Rinse** your hands well under clean, running water.
5. **Dry** your hands using a clean towel or air dry them.

Use Hand Sanitizer When You Can’t Use Soap and Water

WELCOME TO THOMPSON SCHOOL DISTRICT’S “STRIVE 2025” STRATEGIC PLAN

Dear Thompson School District Community,

On behalf of the Board of Education and our over 2,100 employees, we are pleased to present to you the “Strive 2025” Strategic Plan. This plan will serve as our guiding document, North Star and blueprint for our future as we boldly set our direction and priorities for the next five years in Thompson School District.

The creation of this Strategic Plan has truly been a community effort which has spanned nearly a year and has involved broad stakeholder input from our staff, students, parents and communities. Our finished product plots our course as we set out to create a world-class educational environment for our students to grow, thrive and succeed. We are proud of our plan and commit to align our priorities, resources and work to ensure that our five-year vision is realized. The TSD Board of Education will review the strategic plan on an annual basis to monitor progress and provide input on helping the district to achieve our goals. We call upon our entire community to join with us as we embark on our journey to make Thompson School District a best-in-class organization that puts students and student success at the center of it all.

Thank you for your continued support,

Lori Hvizda Ward
President - Thompson School District Board of Education

Dr. Marc Schaffer
Superintendent - Thompson School District
