

# NCAC Sportsmanship

## Creed

"Sportsmanship is the priority of the Northern Colorado Athletic Conference (NCAC). Life lessons are how to win with grace, how to lose with dignity, and how to always play with respect. The members of NCAC expect all administrators, athletic directors, coaches, officials, student athletes and spectators to adhere to this philosophy and commit to fair play, ethical behavior and integrity. Please show great sportsmanship and remember why we play the game."
