

# “Parenting the Love and Logic Way” Class

How can I get my daughter to clean up her room without an argument?

How can I avoid power struggles with my son?

Date: Tuesdays  
September 15 – October 20, 2015

Time: 6:00 – 8:00 PM

Location: Garfield Elementary, 720 Colorado Ave., Loveland

What is Love and Logic? It is a way of working with children that puts parents back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences. The Love and Logic approach helps children develop and grow in a healthy way, provides them with confidence and dignity, and teaches them how to become more responsible.
