Robotics Camp

June 10th-14th

Robotics Camp Fee - $185

Loveland High School 9am- 3pm

Student members and adult coaches of the Loveland High School Robotics team will mentor each team, teaching and guiding students throughout the week. 4th-5th Graders will be working in small groups learning about VEX Robotics. 6th-8th Graders will be working on Arduino based robotics. Each student and team will participate in the Grand Finale Competition Friday Afternoon that will showcase the work that students have done. Families, plan to come and watch! All proceeds help the LHS FIRST Robotics team.

Register at the TSD STEMS registration site at:
