TEACHER DISPLACEMENT

Consistent with the Board’s authority to direct the district’s educational programs, the Board may take action pursuant to a drop in enrollment; turnaround; phase-out; reduction in program; or reduction in building, including closure, consolidation or reconstitution. Displacement occurs when such Board action results in the removal of a nonprobationary teacher from the teacher’s assigned school. This policy shall apply to the designation and reassignment of a displaced teacher.

This policy shall not apply to teacher dismissals, nonrenewals, reductions in force or other personnel actions that do not result in displacement of teachers.

DEFINITIONS

For purposes of this policy, the following definitions shall apply:

1. "Teacher" means a person who holds a teacher's license issued pursuant to the Colorado Educator Licensing Act, C.R.S. 22-60.5-101 et seq. and who is employed to instruct, direct or supervise the instructional program. “Teacher” does not include those persons holding authorizations or administrative positions within the district.

2. “Displaced teacher” means any nonprobationary teacher who is removed from the teacher’s assigned school as a result of Board action pursuant to a drop in enrollment; turnaround; phase-out; reduction in program; or reduction in building, including closure, consolidation or reconstitution.

3. “Mutual consent placement” occurs when a displaced teacher applies for a position under the supervision of another principal and the hiring principal consents. The hiring principal’s consent must consider input from at least two teachers employed at the school and chosen by the teaching faculty at the school to represent them in the hiring process.

4. “Priority hiring pool” is a subgroup of displaced teachers who were actively employed and deemed satisfactory or effective in their performance evaluation preceding their displacement and who have not secured a mutual consent placement. Teachers in the priority hiring pool shall receive the first opportunity to interview for available positions for which they are qualified within the district.

5. “Hiring cycle” means the period of time during which the Board reviews the staffing needs of the district and acts to fill vacant positions, if any. The Board engages in two hiring cycles each calendar year: first, when the Board projects and fills staffing needs for the next school year (between approximately March and the day before the opening day of the next school year); and, second, as the Board reviews its current staffing and makes adjustments as necessary during the current school year (from the first day of school through the last day of the current school year).

6. “Transfer” means the reassignment of a teacher from one school, position or grade level to another in the district. Transfers that do not result from displacement will be addressed in accordance with the Board’s transfer policy and the negotiated agreement.

BOARD OF EDUCATION'S DETERMINATION AND STATEMENT

If the Board determines a drop in enrollment; turnaround; phase-out; reduction in program; or reduction in building necessitates action that may require the displacement of one or more teachers, it shall adopt a statement that reasonably identifies the action and the reasons for that action. This statement shall be transmitted to the superintendent and made available to district faculty.
To the extent possible, the Board shall establish the actual number of teacher positions to be displaced consistent with the Board's authority to establish educational programs within the district. If it is not possible at the time the Board issues its initial statement for the Board to address personnel implications, the Board shall issue a revised statement of action after receiving additional input from the superintendent.

**SUPERINTENDENT'S ACTION**

After receiving the Board’s statement, the superintendent shall prepare recommendations for appropriate personnel action, which may include teacher displacement, consistent with Board policy and state and federal law. As necessary and appropriate, the superintendent shall submit to the Board such recommendations and the Board may revise as necessary its statement of action.

The superintendent shall cause written notice of displacement to be provided to all displaced teachers. Notice shall be in writing and delivered via certified mail to a displaced teacher’s address of record. The superintendent shall immediately cause a displaced teacher to receive an initial list of all vacant positions for which the teacher is qualified, as well as a list of vacancies in any area identified by the district to be an area of critical need.

**MUTUAL CONSENT PLACEMENT**

Displaced teachers shall have the right to pursue a mutual consent placement in the district. Any displaced teacher remains solely responsible for identifying available positions within the district and pursuing any and all vacancies for which the teacher is qualified. Displaced teachers who were deemed satisfactory or effective in their performance evaluation preceding their displacement shall be members of a priority hiring pool.

During the period in which the teacher is attempting to secure a mutual consent placement, the district may place a displaced teacher in a 12-month assignment or other limited-term assignment, including, but not limited to, a teaching assignment, substitute assignment or instructional support role. Such assignment by the district is not a mutual consent placement.

If a displaced teacher is unable to secure a mutual consent placement in a school of the district after 12 months or two hiring cycles, whichever period is longer, the district shall place the displaced teacher on unpaid leave until such time as the displaced teacher is able to secure an assignment.
