GRADING AND ASSESSMENT SYSTEMS
(Exemption Procedure and Information to Parents/Guardians)

Parent/guardian request for exemption

In accordance with the accompanying policy, the parent/guardian of a student enrolled in the district may request that their child be exempt from participating in one or more state assessments.

1. The request for exemption must be submitted in writing to the school principal.

2. The parent/guardian will not be required to state the reason for asking for the exemption.

3. The request for exemption may apply to all or specific state assessments administered to the student during the school year.

4. A request for exemption will be valid for one school year. Requests for exemption from state assessments in subsequent school years require a new written request.

5. Parents/guardians are encouraged to submit their requests for exemption at the earliest possible date each school year so that the district may plan accordingly.

Information to parents/guardians

Each school year at the earliest possible time, the district shall distribute information to student’s parents/guardians regarding the state and district assessments that the district will administer that year. This information shall also be posted on the district’s website.

The district shall also distribute a district assessment calendar to students' parents/guardians at the earliest possible time each school year, and shall post the calendar on the district’s website.

At a minimum, the district assessment calendar shall include:

- an estimate of the testing hours required during each testing window; and
- whether the assessment is required by federal and/or state law or was selected by the district.
