Letter from Principal Kathy Sather regarding CMAS testing

March 2019

Dear Monroe Families,

Shortly after Spring Break, we will be conducting the Colorado Measures of Academic Success (CMAS) state assessments. Our 3rd, 4th, and 5th grade students will be assessed on progress towards meeting the Colorado Academic Standards in English Language Arts and Math. Additionally, our 4th graders will be assessed in Social Studies and our 5th graders will be assessed in Science this year. Below are the dates students will be taking these assessments:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Assessment(s)</th>
<th>Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>3rd, 4th, &amp; 5th</td>
<td>ELA &amp; Math</td>
<td>April 1st-5th</td>
</tr>
<tr>
<td>4th</td>
<td>Social Studies</td>
<td>April 8th-10th</td>
</tr>
<tr>
<td>5th</td>
<td>Science</td>
<td>April 8th-10th</td>
</tr>
</tbody>
</table>

We ask that you avoid these days as much as possible as you look to schedule appointments for your child so that they will be in attendance during testing. Having said that, we do understand that some absences are unavoidable. In the event that your child will be absent on any of these days, please contact your child’s teacher or the front office so that we can plan accordingly.

In addition to the valuable information you receive from these state assessments about how your child is progressing towards the Colorado Academic Standards at his/her grade level, this information is used by teachers and administrators at schools at the beginning of the next school year to plan for instructional programming that will best meet your child’s academic needs. This data also informs the development of programs and systems to meet the needs of students across buildings.

The Colorado Department of Education has produced a document with details about the 2018-2019 CMAS assessments. This document can be found at this link.

CMAS Fact Sheet: What to expect for assessments in the 2018-19 school year (PDF) [http://www.cde.state.co.us/communications/20170814whattoexpect](http://www.cde.state.co.us/communications/20170814whattoexpect)

For a general schedule of these assessments in the Thompson School District, including the grades affected, click here. This link provides additional information about assessments in Thompson School District.

Please don’t hesitate to contact me if you have any questions regarding CMAS testing this year.

Thank You,
Kathy Sather
Principal
Estimadas familias de Monroe:

Justo después de las vacaciones de primavera, vamos a administrar las evaluaciones estatales CMAS, o Colorado Measures of Academic Success(Evaluaciones de Aprovechamiento Académico de Colorado). Nuestros estudiantes de 3er, 4º y 5º grado van a ser evaluados en su progreso hacia los Estándares Académicos de Colorado en artes del lenguaje inglés (ELA por sus siglas en inglés) y matemáticas. Además, nuestros estudiantes de 4º grado serán evaluados en estudios sociales y nuestros estudiantes de 5º grado serán evaluados en ciencias. Los estudiantes se presentarán a estas evaluaciones las siguientes fechas:

<table>
<thead>
<tr>
<th>Nivel de grado</th>
<th>Evaluación(es)</th>
<th>Fechas</th>
</tr>
</thead>
<tbody>
<tr>
<td>3er, 4º y 5º</td>
<td>ELA y matemáticas</td>
<td>1er al 5 de abril</td>
</tr>
<tr>
<td>4º</td>
<td>Estudios sociales</td>
<td>8 al 10 de abril</td>
</tr>
<tr>
<td>5º</td>
<td>Ciencias</td>
<td>8 al 10 de abril</td>
</tr>
</tbody>
</table>

Le pedimos a usted que reserve estas fechas si es posible y que no programe otras citas para su estudiante para que él/ella pueda presentarse a las evaluaciones. Dicho esto, entendemos que algunas ausencias no se pueden evitar. Si su estudiante va a estar ausente en cualquiera de estas fechas, por favor comuníquese con el maestro de su estudiante o con la oficina principal de la escuela para que podamos hacer los cambios necesarios.

Además de la información valiosa que usted recibirá de estas evaluaciones estatales sobre el progreso de su estudiante hacia los Estándares Académicos de Colorado para su nivel de grado, los maestros y los administradores utilizarán esta información al comienzo del próximo año escolar para realizar la programación de instrucción que mejor satisfaga las necesidades académicas de su estudiante. Esta información también determina el desarrollo de programas y sistemas para satisfacer las necesidades de estudiantes en todo el distrito escolar.

El Departamento de Educación de Colorado ha creado un documento que tiene más detalles sobre las evaluaciones CMAS del año escolar 2018-2019. Se puede leer este documento a través del siguiente enlace.

**Spare Clothing for the Monroe Health Office**

We are in need of some clothes for the Health office to give out when kids have accidents, spills, blood on clothes, etc. at school. We'd rather have a small collection here that we can let kids borrow, than call parents to bring them from home.

If you are going through old clothes and have some that might be good “extra clothes”, please consider donating them. If you have had some sent home this year, please try to send them back with your kids. We could use basic pants or shorts, and need more in the smaller sizes. Those that stretch to fit a variety of shapes and sizes are best. A few basic shirts/t-shirts of various sizes are useful too. Please have them washed and ready to give out if you are donating here.

Thanks so much for helping our Health office, and kids/families at Monroe!
Delayed Start Procedures

Delayed Start Procedures

Belief Statement

Thompson School District’s approach to inclement weather may lead to a delayed start of the school day (Delayed Start). While these instances may be rare, we want to be prepared in the event a Delayed Start is called by the Superintendent. This district-wide approach:

- Applies only to our regular Monday, Tuesday, Thursday and Friday schedules.
- If this would apply to a Wednesday, it’s highly likely that the full day would be cancelled instead of implementing a Delayed Start on a Wednesday.
- Our Elementary student release time of 3:10 p.m. will REMAIN THE SAME.

Process and Procedure

1. Superintendent Calls a Delayed Start. Staff and community will be notified via Thompson School District’s regular communication process that a Delayed Start has been called. The target notification time is no later than 5:30 a.m. on the designated Delayed Start day.

2. Starting Our Day. Once a Delayed Start has been called:
   - Staff report time will be 9:30 a.m.; Student arrival time is 10:00 a.m.
   - Bus Services will be delayed by two (2) hours.
   - Breakfast will not be served, but a snack will be provided in the classroom.
   - Lunch will be served 30 minutes later than regularly scheduled times.

3. Student Supervision Upon Arrival. Staff whom are regularly scheduled for morning duties will report to those stations 15 minutes prior to student arrival time (9:45 a.m.). For the safety of our students, please contact another staff member to provide supervision if you are unable to make it to your designated morning duty on time.

4. Specials Schedule. We will enter our regular daily specials rotation at 10:30 a.m. Each block will be shortened so students will participate in their regularly scheduled specials.

5. Release Time. Student release time of 3:10 p.m. shall remain unchanged.

6. Student Supervision At Release. Staff whom are regularly scheduled for afternoon duties will report to those stations at the final bell. For the safety of our students, please contact another staff member to provide supervision if you are unable to make it to your designated after-school duty on time.
