Hello Monroe Families-

May 21st is our annual field day. We will begin at 8:30-10:50 for morning stations. We would love to have as many people here that can make it to support and cheer on your son or daughter. The theme of field day is "Fun for All". We are going to be playing some games and activities that promote fun, movement, teamwork, sportsmanship and a little competitiveness.

All classes will be rotating around the fields and in the school participating in all the different stations.

Lunch schedule will stay the same if you wish to join your child for lunch at school. Please contact the front office or cafeteria if you are interested in eating school lunch. Please help your child out by making sure they come to school that day in appropriate clothes and TENNIS SHOES since they will be on the move running and playing for most of the day. Also maybe send along a water bottle and apply sunscreen before coming to school. Let’s keep our fingers crossed that the weather will cooperate and we have a fun and active day.

Thanks
Ryan Williams
PE Teacher
