Surgeons of Excellence Credentialing

More Comprehensive Evaluation Process

SurgeryPlus Surgeons of Excellence Criteria

Board Certification

- Exclusively uses board certified surgeons
- Requires active state medical license

Experienced Surgeons

- Seek out surgeons with high procedure volume
- Must have low complication rates

Surgical Fellowship (1)

- Requires additional specialized training after residency
- Focused on an unique specialty

Background Checks

- Checks for disciplinary action from state medical board
- Checks for criminal record

Malpractice Review

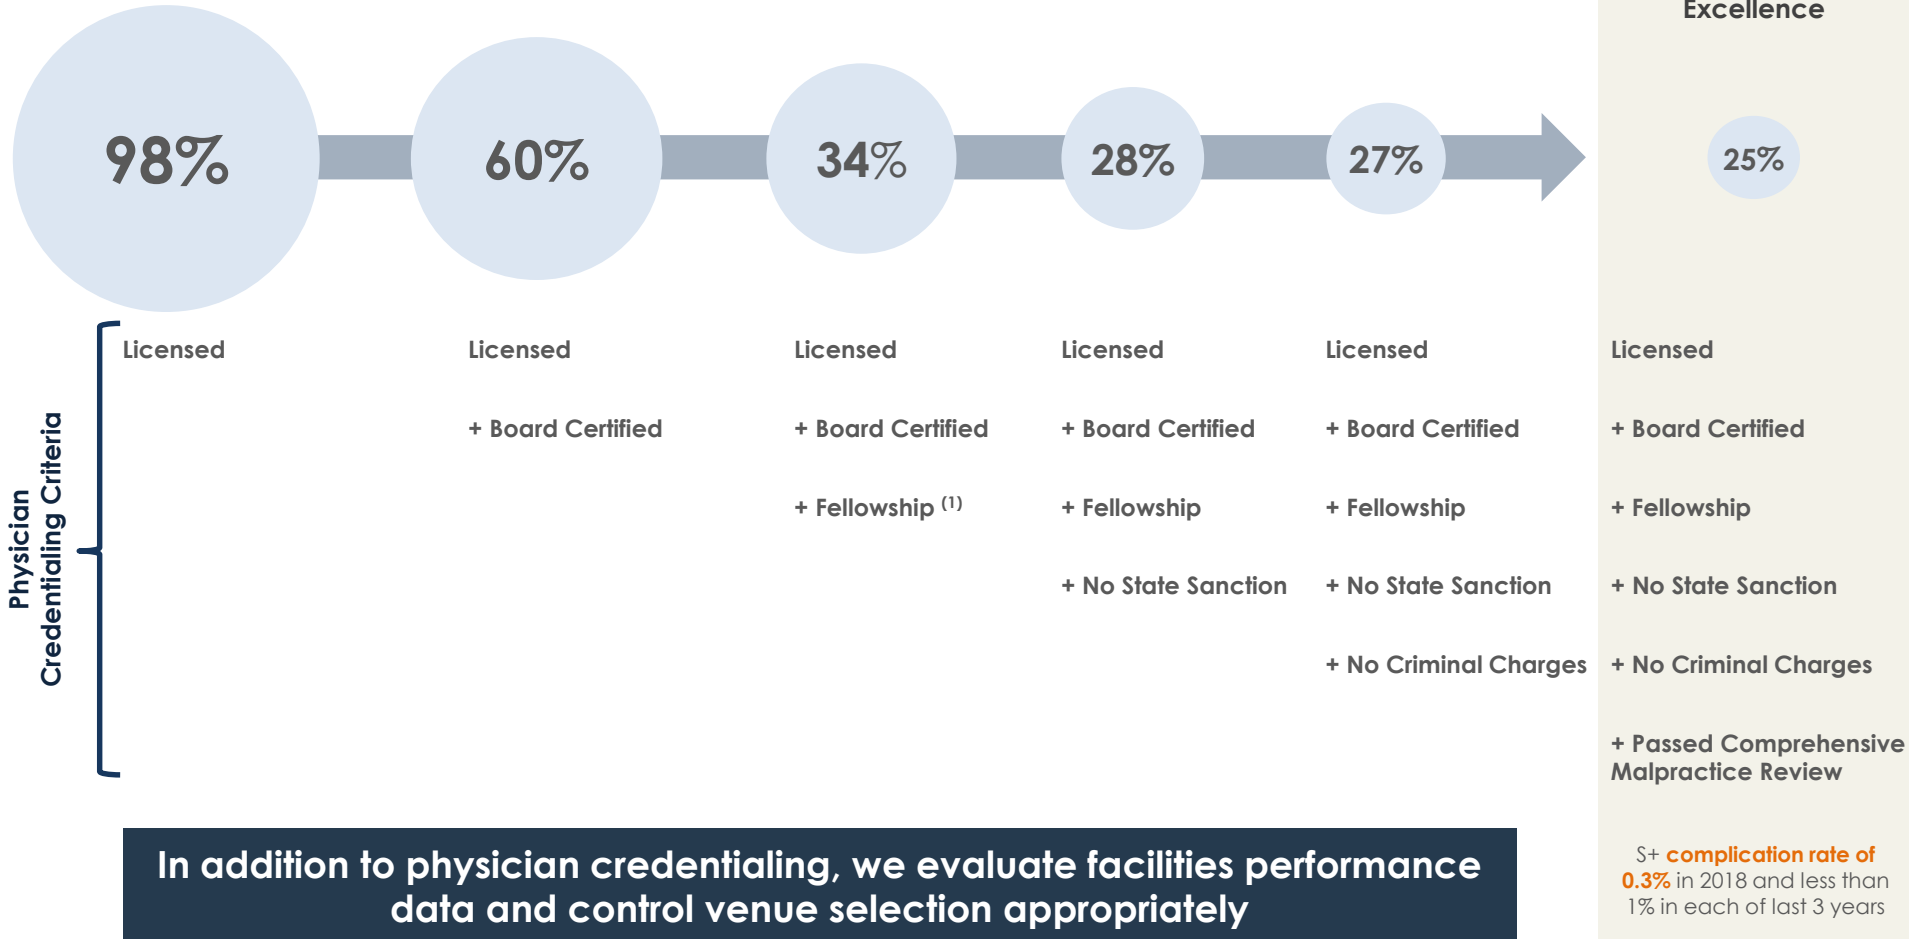

- Comprehensive malpractice review
- Notification and reevaluation of all new malpractice claims

Traditional insurance carriers ***do not*** require physicians meet the above criteria

Surgeons of Excellence Credentialing

More Comprehensive Evaluation Process (cont'd)

- Unlike some of our peers, our quality starts with the physician; a poor doctor will lead to a poor result even in the best facility
