My child is currently enrolled in Camp Read. Should I also enroll them in Link2Learning K-5?

If you have already registered your child for Camp Read, they are still enrolled in that program and do not need to sign up for the Link2Learning online summer program.

My child was recommended for Camp Read but I would rather have them attend Link2Learning K-5. Can I switch their placement?

If you would like to unenroll from Camp READ, contact Allison Lewis. However, if your child was recommended for Camp READ, we encourage you to take advantage of that opportunity.

What is the daily schedule for Link2Learning?

Classes will take place in the afternoon (time TBD) and run Monday - Thursday from June 1st to June 25th. Each lesson will have approximately 30 minutes of teacher-led instruction (which will be recorded and available to watch at your convenience). After the online lessons, students will engage in approximately 30 minutes of independent and/or group activities with virtual access to their teachers for support. All independent activities can be completed at the student's pace.

What will my child be learning in Link2Learning?

Provides an opportunity for students to practice critical thinking, collaborating, self-advocacy, citizenship, and communication skills through grade level language arts and math practice and skill-building in a variety of content areas.

We currently have a district Chromebook checked-out, will we be able to keep it for Link2Learning?

Yes, you will have access to your Chromebook through summer programming.

If I have more than one child enrolled in summer programming, will we have access to more than one district device?

If you need an additional Chromebook, please contact Niki Van Essen (niki.vanessen@thompsonschools.org) or Erika Lopez (erika.lopez@thompsonschools.org)
How much will I need to help my child?

Teacher’s will have office hours available daily to support with activity completion. Independent/Group Activities will be provided at the grade level your child just completed. Your child may need help gaining access to a device, internet, and navigating technology platforms (Google Classroom).

How much work will be online vs. offline?

Each lesson will have 30 minutes of teacher-led instruction (which will be recorded and available to watch at your convenience). After the online lessons, students will engage in approximately 30 minutes of independent and/or group activities with access to their teachers for support.

How many kids will be in a class?

Dependent on enrollment.

When will I “meet” my child’s teacher?

Your child’s teacher will reach out to you the week of May 26th.

Will my child be in a class with students from other schools?

Yes

Is Link2Learning available for charter school students?

Yes

Is this a graded program that will reflect on my child’s transcript?

Students will be provided feedback from their teachers on their progress during the program, but no traditional or final grades will be recorded. There will only be an indicator that your child participated in Link2Learning K-5 in their enrollment history.

Which grade/class should I sign my child up for?

Students should be registered for the grade-level they are exiting. Example, if your child is currently in 5th grade, they will enroll in Link2Learning K-5 as a 5th grade student.
