

# MEET THE TEACHER!

## Mrs. Kristen Fontana

### My Teaching Experience:

This is my second year teaching in the Thompson School District. Last year I taught Early Childhood at Lincoln School. Before I became a teacher, I was a school social worker for 10 years and a Special Education Administrator for three years back in Illinois.

### My Degree(s) and Where I went to College:

I graduated with my Masters in Early Childhood Special Education at the University of Northern Colorado in August 2017. I also have my Masters in Social Work from Aurora University and my Administrative Degree from Concordia College.

### My Favorite Thing About Teaching:

My favorite thing about teaching is connecting with each child that is in my classroom. It is so rewarding to make special connections with my students and watch them grow throughout the year. I especially love to watch a child learn something for the first time!

## MY FAVORITES
