

# TSD Family Guide to Google Classroom

Remote Learning Plan

# What is Google Classroom?

Google Classroom is a digital portal to your child's learning...

Teachers use Google Classroom to send and receive assignments and communicate with students.

# Getting Started

- Your child has a secure login  
[@thompsonschoools.org](mailto:thompsonschoools.org)
- They should use this to login to any device

The logo for Thompson School District features a blue line-art mountain range above the text "THOMPSON SCHOOL DISTRICT" in a blue, sans-serif font.

THOMPSON  
SCHOOL DISTRICT

# What if my student doesn't know their login?

- If your student doesn't know their login, have them check with their teacher
- You can access it through parent portal

<https://thompsonco.infinitecampus.org/campus/portal/parents/thompson.jsp>

- Call the ITS Help Desk

# Getting Started

Open the Google  
Chrome Web  
Browser

# Additional Considerations

\*If using an iPad, you can also access Google Classroom via the Google Classroom app.

\*Your student will not see their teacher's Google Classrooms if they are logged in as a user other than their @thompsonschoools.org account.

\*If you do not have a device for your child to use at home, you may check one out from ITS using this [form](#).

# Additional Information

Families can access their student's teachers' Google Classroom in one of the following ways:

- + From the school issued Chromebook, ask the student to login and launch the **Google Classroom App**. ...
- + As a guardian, you must receive and accept an **email** invitation before you can receive **email** summaries.

# Questions:

- Contact your child's teacher
- Call ITS Help Desk.
