

TSD Family Guide to Google Classroom

Remote Learning Plan

What is Google Classroom?

Google Classroom is a digital portal to your child's learning...

Teachers use Google Classroom to send and receive assignments and communicate with students.

Getting Started

- Your child has a secure login
[@thompsonschoools.org](mailto:thompsonschoools.org)
- They should use this to login to any device

What if my student doesn't know their login?

- If your student doesn't know their login, have them check with their Advisory Teacher
- You can access it through parent portal

<https://thompsonco.infinitecampus.org/campus/portal/parents/thompson.jsp>

- Call the ITS Help Desk-970-613-777
