# HOME OF THE DRAGONS

## Turner Times

### PRINCIPAL'S CORNER

We are excited to welcome our incoming students and our returning students for the 2017-2018 school year at Turner Middle School.

Our commitment at Turner is to provide a safe and intellectually challenging environment that will empower our students to become innovative thinkers, problem solvers, and finally prepared for their transition to our high school.

As the school year begins, we encourage our families to begin exploring our website, asking your student to share information distributed in their classes, and to discuss the importance of each student's contribution to our school community. Our students, by fully participating in their academics and by having a willingness to act responsibly, will make Turner Middle School an exceptional learning community.

Our staff is committed to each and every one of our students and will be working hard to assist your student in personalizing their mastery of content area standards. We look forward to working closely with our families to assist them in understanding this educational journey as well. We encourage you to help us foster a love for learning in our students, to volunteer in our school, and to attend events that showcase the wonderful talents of our kids.

Respectfully,

Brandy Grieves, Principal

**6:00 – 7:00 p.m.**

**Annual Family Update  
Available on Parent Portal**

This yearly update is required for every student enrolled in the Thompson School District for the 17-18 school year.

Parents/Guardians in the student's primary household need to complete the application by reviewing and updating household, emergency contact, student's health information and permissions via the link. This information is used in the day to day operations of your child's school and is imperative that it is accurate.
