### *Message from the Principal...*

Dear Winona Families,

I'd like to thank you for all of your continued support and patience with the unique structures that we have at school this year. When each of our staff went into education, we never expected to experience anything quite like a pandemic. Our school will continue to update you with information as we receive it.

Thank you to our families who attended their child's parent teacher conference. If you did not meet with their teacher yet, please contact them to schedule a time. It's very important for us to be able to meet with you.

Picture Day is November 6th. If your child is not at school that day, they will be able to participate in our retake day. Thompson Connect students may come by for a picture on November 6th between 1:00 and 3:00. When they come, they must have a mask on. Adults will still not be able to enter our building.

Just a few reminders:

- Please continue to send your children to school with masks, snacks and a water bottle each day!
- The first bell rings at 7:55 (8:55 on Wednesday) and the second bell rings at 8:00 (9:00 on Wednesday). Please have your children ready to enter the school between the first and second bell.

***continued***

We found out that breakfast and lunch will be free for the remainder of our school year! This is wonderful news and applies to every one of our students.

At Winona we want to continue to work collaboratively with you to support your students. I would like to ask each family to attend our virtual Family-School-Community Partnership meeting on Thursday, November 5th from 6:00 -7:00 pm to participate in an activity where parents and staff work together to create our family compact. Please see the invitation in this newsletter for more information.

Please reach out to us if there is anything that we can support your family with.

Thank you,

Kim Tymkowych
