We have had a higher level of student involvement and engagement so far during this round of remote-instruction. If there is something that our school or district can do to support you with your child's remote-learning, please reach out to our school.

This quarter, your child has been able to participate in art, PE and library during specials classes. Next quarter we will be offering library, music and art. On December 18th, Thompson School District will be sharing information about returning in January. Please look out for this important message.

This feedback helps us as a school to continue to adjust and accommodate our ability to support your child! I would like to thank the families that have attended our Family School Community Partnership meetings in the months of November and December. This team has been creating our Winona Family compact, which is a collaborative resource to explain how the school, students and families can work together to help our students succeed. We have a

From our staff to your family, we hope that you have a wonderful holiday season and that you are able to continue some of your family's traditions even with the current challenging times. Once again, please contact our school with any questions or support that we can help with.

Respectfully,
