Message from the Principal...

Hello,

We are excited to welcome 2016 at Winona and look forward to our partnership in continued work with your child here! I hope your holidays were magical and cozy. Many exciting things will be coming in the months ahead. Please make sure to continue to stay connected by checking the website and the marquee sign in the front of the building. Also, please make sure we have updated phone numbers and email addresses to send out communication.

As we so value each and every one of our students, in doing so we continue to put a high precedence on keeping each student safe while in our care. Please take note of the following items regarding ways we can work together to maximize learning and assure your child's safety.

**Message from the Principal, continued...**

The building opens for breakfast at 8:05. Students have the option of participating in various enrichments in the morning. Our playground opens for recess at 8:20. We do not have outside supervision before this time.

The office closes at 4:05, at which time all students should be safely accounted for by their families. Beyond this time, we do not have supervision available for students.

We partner with A.S.K. an outstanding before and after school program if you need childcare coverage before or after school, this option is available and offers financial assistance for qualifying families. You can find out more by calling A.S.K at 970-776-4363.

Students should come to school ready to learn, leaving all toys, cards, distracting jewelry or electronics at home. Cell phones and tablets must be stored in backpacks and should not be turned on during the school day.

We welcome all visitors through the school's controlled access front door and would love to greet you by having you sign in at the office. Also, upon picking up your child please have your picture ID handy. Only those listed on the student's pick up list will be authorized to pick up students. Please be sure to add anyone that may need to pick up your child from school.

Thank you for your continued support!

Wishing You a Happy New Year,
Emily Mac
Winona's Science Night

Again this year, Winona will have a Science Night on January 6th from 5pm-7:30pm to show off Winona’s students’ science projects. The night will also involve science activities as well as a Starlab astronomy show and stargazing with Northern Colorado Astronomical Society and their amazing telescopes.

“Parenting the Love and Logic Way” Class

Dates: Tuesdays, Jan 26-Mar 1, 2016
Time: 10:00 AM – 12:00 PM
Location: Life Center/House of Neighborly Service, 1511 E. 11th St., Loveland

What is Love and Logic? It is a way of working with children that puts parents back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences. The Love and Logic approach helps children develop and grow in a healthy way, provides them with confidence and dignity, and teaches them how to become more responsible.

Pre-registration is required. Contact Michelle at 970-342-2275 or email mmorton@honservice.org. Childcare will be provided. Class size is limited to 20 participants, so register early!

Winter Weather is Here!

The weather in Colorado changes quickly and the children need to be prepared when they come to school. Please make sure that you send your child to school with a warm coat, hat, gloves and boots. Children will go out to recess during cold weather, unless the weather is extremely cold and/or there is extreme precipitation or wind. They will need to stay on the black top if they do not have boots in order to stay dry.

Attendance

Just a reminder, when calling your student(s) in, please use our attendance line at 613-7111. Please see the district attendance policy at http://www.thompsonschools.org/cms/lib07/CO0190072/Centricity/domain/367/j/JH%20JHA%20JHBA-R.pdf

Office Hours

Please remember that the front office hours are 8:05-4:05.

If your student has to be at school before 8:05 and stay after 4:05, your child will be sent to the ASK program and you will be charged.

Please see the office with any questions.
