LHS Choir Lettering Requirements

A member of the Loveland High School Choral Program may letter in choir. Earning a letter is not easy, and signifies achievement above and beyond the ordinary.

The following criteria must be met*:
   a) Be in a choir class for the entire school year with a grade at or above 90%.
   b) Must have perfect attendance at all mandatory performances.
   c) Accumulate 150 total points to earn first letter. A pin is awarded for every additional 75 points. Points DO carry over from year to year, so even if you don’t have enough points to letter this year, turn in a form and you will have a good start on points for next year.
   d) Students must complete and turn in this Choir Letter Application by the announced deadline and have all of the appropriate signatures.

   Students must be responsible to keep track of their own lettering points and getting those points verified with a signature by Mrs. Batlle, or the adult in charge of that activity. Lettering applications are due on Thursday, April 30th, 2015.

**With the first 150 points, a letter will be awarded. A pin is awarded for every additional 75 points. Points DO carry over from year to year, so even if you don’t have enough points to letter this year, turn in a form and you will have a good start on points for next year.**
