Kindergarten Registration 2018-2019

Students starting kindergarten next year should now be registered.

If your child goes to Thompson School District Early Childhood and you live in our attendance area, you do not need to register. Please check with the front office to confirm your child’s attendance.

If you have older students in Thompson School District, just log into your Parent Portal and “add a student.” You do not need to complete the whole online registration. Then talk to the front office and hand in needed documents.

If you, a cousin, or a neighbor is new to Thompson School District, go to www.thompsonschools.org and “Register for School” then check with the front office.

*For anyone who does NOT live in the Sarah Milner attendance area, we do need an Open Enrollment form completed. Please talk to the front office for details or access it online.
