Winona Families, it is time for our 5th Wildcat Dash! Students will be running laps during school on the morning of Wednesday, April 20th, in an effort to raise money for our school and to promote health and wellness.

Our goal is to raise $5000 with 100% of the pledges collected going back to the school and students rewards. No pledge donations will go to third party vendors. With about 450 students enrolled at Winona, this averages out to $11 per student.

Every student will run or walk laps around the marked course. Students will earn prizes for the donations pledged. Because this is not a per-lap pledge event, all donations will be collected before the event. All students will receive a Winona Dash T-shirt for participating, regardless if they collect donations!

Winona PTO funds fieldtrips, classroom books and subscriptions, technology, teacher appreciation, school social events, and other school needs as required.

If you have questions, please contact Kandi Carbajal at 970-488-9160 or jkcarb@centurylink.net

Thank you sponsors!

Our volunteer committee has worked hard to get as many of the prizes donated or discounted so that almost all the money raised goes directly to the school. We couldn’t do that without the support from our community. Be sure to look at the sponsors listed on the prize list and show your appreciation with your business. A special thanks to UC Health Healthy Kids Club for all of their help and guidance in making this happen.
