Math
by: Mrs. Christensen & Mrs. Lund

We have been working on decimal operations, greatest common factors, least common multiples and applying them to real world word problems.
We just wanted to remind parents that we are grading by standards.
4= above the standard
3= meeting the standard
2= below the standard
1= far below the standard.
If your child is getting 1’s &/or 2’s please encourage them to come in and get help to make corrections.

Parent teacher conferences
★ Oct. 22nd 3-8pm
★ Oct. 23rd 8-5pm
NO SCHOOL
★ Oct. 23rd
★ Nov. 13th
★ Nov. 23rd-27th

Language Arts
by: Mrs. Schlagel & Mr. Ford

We have been working on our literary elements Common Assignment Study which will culminate with a narrative writing piece based on “All Summer in a Day” by Ray Bradbury.

We expect that students are reading every day at home, and our goal is for each student to read 30 books by the end of the year.

EAGLES
Please join us for conferences.
Dates: Thursday, 10/22 from 3pm-8pm (Mrs. Lund will not be available after 6:30 pm and Mr. Appleton will not be there Thursday) and Friday 10/23 from 8am-5pm

Social Studies
by: Mr. Mohler & Mr. Appleton

A major goal of 6th grade Social Studies is to develop the skills of “Thinking Like a Social Scientist.” These skills revolve around the CDE content standards of History, Geography, Civics, and Economics. Later we will apply these skills to our studies of the Eastern Hemisphere. These include Aztecs, Incan, Mayan Civilizations, and Westward Expansion just to name a few.
