EVALUATION OF THE SUPERINTENDENT

The Board shall institute and maintain a comprehensive program for the evaluation of the superintendent on a regular basis that is consistent with state law and agreed upon by the Board and the superintendent.

Through evaluation of the superintendent, the Board shall strive to accomplish the following:

1. Clarify for the superintendent his role in the school system as seen by the Board by defining objectives that will contribute to achievement of district wide goals.

2. Clarify for all Board member the role of the superintendent in view of his job description and the immediate priority among his responsibilities as agreed upon by the Board and the superintendent.

3. Develop positive communications and harmonious working relationships between the Board and superintendent.

4. Provide administrative leadership of excellence for the school system including improvement of the instructional program and implementation of curricular programs.

5. Assist the superintendent to improve his job performance though measurement of professional growth and development.

The Board shall consult with the superintendent and the advisory school district personnel performance evaluation council when revising the process for evaluation of the superintendent.

As a precondition to the evaluation process, the Board and the superintendent shall develop a position description that sets forth expectations for the superintendent. The Board also shall have a plan setting forth goals for the district.

The evaluation of the superintendent shall be based on criteria that are determined prior to the evaluation. There shall be a clear relationship among these criteria, the positions description for the superintendent and the goals of the district.

The superintendent’s performance shall be reviewed at least annually in accordance with the specified goals. Additional objectives shall be established at intervals agreed upon with the superintendent.

The evaluation process shall afford each Board member the opportunity to evaluate the performance of the superintendent on an individual basis. The evaluation document prepared by the Board shall represent a synthesis of information collected from individual Board members.

The evaluation document shall be prepared in writing. The superintendent shall have an opportunity to review the document with the Board in executive session. The report shall be signed by the superintendent and the president of the Board.

The evaluation document shall contain a written improvement plan, be specific as to performance strengths and weaknesses, specifically identify data sources and sources of
information upon which the evaluation was based.

Nothing in this policy shall be construed to imply in any manner the establishment of any personal rights not explicitly established by statute, Board policy or contract. All Employment decisions remain within the sole and continuing discretion of the Board.
