Dear Turner Families,
As we conclude 2020 and break for the holidays, I want to take a moment to express my gratitude for all your family has sacrificed and will continue to sacrifice to support your student this year in their learning. From the classrooms to our living rooms to our offices, and all other areas, our collective efforts to try to overcome obstacles have been astounding. We know that each day many of our students are struggling to stay focused, on task, and keep up with work. Our work together remains a critical piece in supporting our students’ resiliency and helping them to take on each obstacle day-by-day.

I am personally looking forward to the new year and hopeful that with each day we get closer to having all of our students join us again in Turner. With plans to move to a hybrid model on Tuesday, January 19, we are excited to welcome back students into classrooms. Teachers will be hosting a virtual Family Resource Night on Thursday, January 21 at 6:30 pm. More information about this evening will be provided in early January. We ask that you hold the date and join us that evening. On behalf of the staff at Turner and myself, we hope you have a safe and joyous holiday season.

Respectfully,
Brandy Grieves, Principal

TDS Return to Hybrid Learning Information

Middle school will return to in-person learning and use the previous hybrid schedule:

Middle School Students: Tuesday, January 19

Remote learning will continue for secondary students (resuming on January 5) until their assigned return dates. Please note that while we are very confident that we will be able to welcome students back to in-person learning on these announced dates, we will continue to partner with Larimer County and state officials to monitor the impact of the pandemic on the district and community.
