COLUMN CHANGES FOR LICENSED EMPLOYEES

Column changes have been approved for the 2021-22 school year. Please follow this link to view directions and fill out the Column Change form:

- Please remember that you are required to provide the supporting transcripts and/or documentation for a column change. All college/university transcripts must be official. They can be copies but must be official. If you are submitting a transcript for a Master's degree, please be sure that the confer date is on the transcript.
- Your column change application (and supporting documentation) must be submitted no later than September 1, 2021 to be considered for a column change. You will receive a status update as soon as the submission has been reviewed.
- Once your column change has been approved, you will receive an email notifying you, a new 2021-2022 contract will not be re-issued. All column and pay adjustments will be made in the District’s HR/Payroll system and will be reflected in your September paycheck, if applicable.

If you have questions or need a copy of a past Column Change form, please EMAIL Denise.Absalom@thompsonschools.org
GREAT EXPECTATIONS

If you are expecting a baby during the school year, please contact our HR Benefits and Leave Specialist, Robbi Stokovaz. Give her your baby's due date when you e-mail her. She will send you information about our district's benefits and the process to access them.

PROFESSIONAL DEVELOPMENT NEWS

New Teacher Orientation will take place on August 4th - 6th and will cover Induction A, B and C. If you are someone who did not complete Induction A, B or C last year, please contact Jeannie Sponheim (extension 5966) to be added to this year's event.

TENS Week will have two full PD days, August 10th - 11th. We are working on getting all licensed staff pre-populated into their respective sessions in Learning Pro. Further instructions about checking into your sessions and locations are forthcoming.
