Message from the Principal...

Dear Winona Families,

We hope that you are doing well and that you and your family are staying healthy. Thank you very much for helping your child transition into a remote-learning structure once again. We have had a higher level of student involvement and engagement so far during this round of remote-instruction. If there is something that our school or district can do to support you with your child’s remote-learning, please reach out to our school.

This quarter, your child has been able to participate in art, PE and library during specials classes. Next quarter we will be offering library, music and art. On December 18th, Thompson School District will be sharing information about returning in January. Please look out for this important message.

Thank you very much for providing us with your feedback on the surveys that we have sent to you this semester. This feedback helps us as a school to continue to adjust and accommodate our ability to support your child! I would like to thank the families that have attended our Family School Community Partnership meetings in the months of November and December. This team has been creating our Winona Family compact, which is a collaborative resource to explain how the school, students and families can work together to help our students succeed. We have a

draft created now and hope to share out the final compact in January. Our meeting in January will be on Thursday, January 7th from 6:00-7:00 on Google Meet. We hope to have at least one family from each classroom attend this important meeting!

From our staff to your family, we hope that you have a wonderful holiday season and that you are able to continue some of your family’s traditions even with the current challenging times. Once again, please contact our school with any questions or support that we can help with.

Respectfully,
Kim Tymkowych
Principal of Winona Elementary

School Pictures

If you have ordered school pictures of your child they have been delivered to our building. Families are welcome to pick them up any weekday during our normal office hours. 7:30am-3:30pm. Simply come to the front of the building and push the camera button. One of our office staff members will be able to get them for you.

If you have any questions please feel free to call our office at 970-613-7100.

Thank you!

Picture Retake Day

Picture retake day is coming soon! We are working with Skillman Photography to schedule retakes. Ideally, we would like to have this happen in January. Please look for more information becoming available when we return from winter break.
Virtual Winter Pajama Family FUN Night

Winona will be hosting the very first virtual fun night for all of you!! Please, come in your comfy pajamas and get ready for some fun virtual games.

When: December 17th | 6:00-7:00 pm

How to Join!!
