1. Treasurer’s report
   1. Last dance made $500 in concession sales
   2. New bank account with PTO name and signers has been opened
   3. Misha filed paperwork for trade name as nonprofit
   4. Are there any large expenses anticipated? Possibly athletic uniforms

2. CMAS is next month. PTO would like to purchase gum and mints for students, add to the April meeting’s agenda.

3. Bash tickets follow up. Mr. Weidel’s class won the box top competition so he gets one set of tickets. There will be a drawing at the staff meeting for the second set.

4. Concessions, at this point nothing needs to be restocked.

5. Discussed dragon tokens with Brandy. We cannot accept tokens at the dance, students must trade them in for dance passes. As long as they use a pass, TMS will reimburse the PTO for the ticket price.

6. 8th grade dance, there is a group who will start the initial planning. Date, decorations and DJ are set. This year the BHS Athletic Hall of Fame Induction dinner is on the same night, suggested that someone reaches out to them to coordinate in future years.

7. Brandy is going to ask Mr. Ferris if he needs any help from the PTO for the band field trip.

8. There was a question about where the PTO stores their things and if it was using too much space in the art room, it was determined that our items take up very little space and can stay where they are.

9. Sunshine fund, no new needs have been brought to the PTO’s attention.

10. May meeting will be held on May 14th. Will start with volunteer appreciation breakfast from 9-9:30 followed by the meeting which 5th grade parents will be invited to attend.

11. Teacher appreciation is May 6th-10th.

12. Administrative professionals day is April 24th, PTO will purchase flowers for 5 staff members.

13. Ask that everyone bring 3 fundraising ideas to the next meeting on April 2nd.
